Re: 24th World Scout Jamboree 2019

To Whom It May Concern,

Scouts Australia contributes to the education of young people in achieving their full physical, intellectual, emotional, social and spiritual potential as individuals, as responsible citizens, and as members of their local, national and international communities.

The World Scout Jamboree is held every four years bringing Scouts from all corners of the globe together for a once in a lifetime experience. Participants use the opportunity to learn about the diversity of cultures that exist around the world and to become more informed of the social challenges that exist in different communities.

The 24th World Scout Jamboree will be held in North America in 2019. The Australian Contingent will be departing on Wednesday 17 July 2019 and returning on Tuesday 6 August 2019.

The World Scout Jamboree is an amazing experience that is highly recommended for all young people to attend.

Should further detail be required, please do not hesitate to contact myself at any time.

Yours in Scouting,

Aaron Wardle
International Commissioner
Scouts Australia
