Youth Leading with Adult Support

A Jamboree Troop is 40 People with **4 Patrols** (9 Youth and 1 Adult)

At WSJ2019 Troops are called “UNITS”

Pre-tour - Washington DC

- Participants will be in their **Patrols**

Jamboree - The Summit Bechtel Reserve

- Participants will camp in their Units and patrols. Out of Unit lines, the buddy system is compulsory.
Note for parents - Scouts will NOT be accompanied and directly supervised by adults at all times.

Post-tour - LA

- At Disneyland and Six Flags, the buddy system is compulsory. Participants will NOT be accompanied and directly supervised by adults at all times.

In Canada

- Participants will be split into 4 Units.
- 4 Key CMT will become the Unit Leaders.

The Big Picture

Arrives Home

04 - 09 August

Optional Post Tour in
Canada

We Will Take The Scout Promise and Law as Our Guide

The Australian Scout Law

Be Respectful

Be friendly
Care for others and the environment

Do What is Right

Be trustworthy, honest and fair
Use resources wisely

Believe in Myself

Learn from my experiences
Face challenges with courage

The Australian Scout Promise

On my honour, I promise
To do my best,
To be true to my spiritual beliefs,
To contribute to my community and our world,
To help other people,
And to live by the Scout Law.

OR

On my Honour
I promise that I will do my best
To do my duty to my God, and
To the Queen of Australia,
To help other people,
And to live by the Scout Law.

NO DADS ALLOWED

- **NO Drugs** (including Smoking; legal smoking age is 21)
- **NO Alcohol** (Legal drinking age is 21)
- **NO Discrimination/Bullying** (zero tolerance)
- **NO Sex** (Age of Consent is 18)

What We Expect

- Everyone is responsible for their own actions.
- Everyone is bound by:
 - Scout Promise and Law
 - Youth/Adult Terms and Conditions
- There will be consequences for misconduct.
- Anyone over 18 MUST complete the online 'Safe from Harm' course prior to the Jamboree
- Certificates must be forwarded to the Contingent Team prior to departure

Congratulations!

Lloyd Nurthen

on earning the badge

CERTIFIED

on 15th April, 2019

For completing the Certification

Safe From Harm

Generated for 24th World Scout Jamboree,
By Adobe Captivate Prime on April 15, 2019.

Curfew

This is a Huge Event and we need you to pace yourself, so there is a curfew.

Pre and Post Tours

- 9pm back in dorms, 10pm in bed, lights out.
 - Except for pre-arranged activities (like Disneyland).

Jamboree

- Troop Leaders will advise the time that they need you back on your troop site.

What else can't I do?

- **No Energy Drinks**

- Red Bull (it doesn't give you wings), Monster, etc. There are many different brands of these in the US that you won't recognise - so read labels!

They suppress your appetite which leads to other health issues.

- Do not take prescription medication that **isn't yours**.

- DO NOT swap rooms.

- In an emergency we need to be able to find everyone.

- All sleeping accommodation is single gender!

- **There are ramifications for anyone found in rooms other than their own**

If you do the wrong thing...

If you are sent home...

- You will pay the airfares and associated costs (including Leader/s escorting you home)
- A report will be sent to your Branch for follow up

People and Welfare

Understanding the our People and Welfare protocols for the event.

People and Welfare

Whilst everyone is responsible for themselves, we have a full support team looking out for you.

Rod Byrnes
People & Welfare
Director

Wendy Byrnes
Troop Coordinator
1 - 5

Diana Swift
Troop Coordinator
6 - 10

Scott Matthews
Troop Coordinator
11 - 15

Mitchell Kraan
First Aid Manager

Fiona Thomas
Catering Manager

Harry Long
IST Manager

People and Welfare (Pre and Post)

- Patrols will mostly be responsible for their own health and welfare needs and the CMT support team will be able to assist with any escalated issues.
- Each participant must bring their own personal first aid kit
- We have a medical professional travelling with us as part of the team. Mitch's role is to advise us about anything that needs more serious treatment. He will not be practising as a Doctor whilst we are in North America.
- We will be using the in-house professional first aid support structures at each of the Universities we stay in.
- **If you are having problems with your physical or mental health, don't suffer on your own - we need to know about it!**

People and Welfare (Jamboree)

- Once we are at the Jamboree site, we will be supported by a very sophisticated health and welfare unit including a full onsite hospital and access to specialists like Dentists, Psychiatrists, etc.
- 24x7 fully staffed medical facilities at each basecamp onsite.
- **If you are having any problems at all, they need to know about it! They will not judge you.**
- The CMT may not be close enough when you need support - remember it's a site holding 50,000 people!

We aren't mind readers...

- If you have a problem, **SPEAK** with:
 - A friend or a trusted person
 - Patrol Leader, Troop Leader
 - ACL's (David and Ruby)
 - Welfare Team
 - Contingent Team
 - At WSJ site - "listening ear"
- **We need to know if you are having challenges or issues.** Unfortunately your family can't solve your problems from Australia! (Though it's still ok to talk to them of course!).

People and Welfare

We need you to look after yourselves and each other.

- **Someone having a rough time?**
 - Let your Troop Leader or one of our Welfare Team know discreetly.
- **Suffer motion sickness? – Bring medication with you**
 - Long flights, long layovers, long bus trips (over 6 hours)
 - If you have an epipen it should be with you at all times
- **Remember!**
 - Drink lots of water, wear sunscreen, wear a hat;
 - Sleep!
 - Change your socks and undies more than once

People and Welfare

- Specific health or dietary needs **MUST** be on your online application!
- Fiona has called you about dietary needs and we have passed this on.
- If your details have changed since March – update them now!

**Changes after June 1 need to be communicated to
rod.byrnes@wsj2019.scouts.com.au**

Check your Next of Kin Contact Information is up to date.

Communication

How do we communicate with home and how can home communicate with me?

***SOMETIMES
NO NEWS...
IS GOOD
NEWS***

Contacting the Contingent

The Contingent Hotline and an Australian Mobile Number. These are printed on your ID Tag, and will be in:

- The Last Newsletter
- The Final Email

Parents and Guardians;

- Only Call if it is Critical
- Chances are we will not be in the immediate vicinity of your youth member - remember the Jamboree site is over 10,000 acres and we will have to get to them.
- There is a Significant Time Difference (remember you are between 14 and 17 hours in front of us)
- Can't get us? Leave a message and we will call you back as soon as practical.

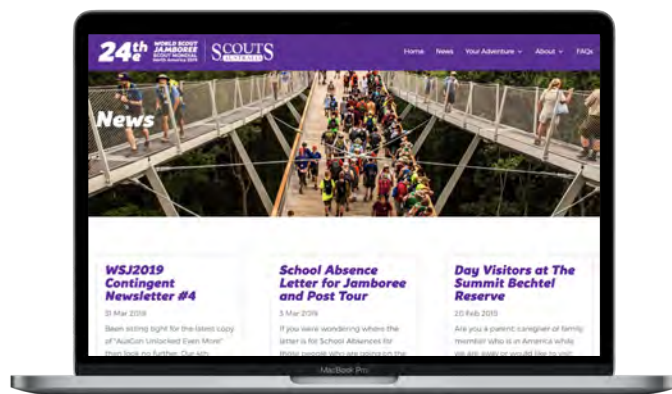

We have a satellite phone to ensure we can call out from anywhere in case of emergency.

How we will keep your Folks updated at home?

We are aiming for 3 main communication channels.
We will post as often as we can.

Our Website

wsj2019.scouts.com.au

Facebook

fb.me/wsj2019au

Instagram

[@wsj2019au](https://www.instagram.com/wsj2019au)

How about Workplace?

We will be using Workplace for the Contingent Team to push messages and communications out to the Contingent. A New Group will be made for this in the coming weeks. This will be the formal Communication Channel, along with Briefings and Meetings for Contingent Members.

The Contingent can also use the Contingent Discussion to ask questions and advice from Contingent Members.

It will also be used for the Troops and Patrols to communicate during the event, and in the lead up to the event.

Make sure you have the Workplace App and Chat App installed on your device. Now is the time to practice.

How about Local SIMs and WiFi?

We recommend that you remove your sim card and use the WiFi to avoid expensive charges.

We tested the WiFi on our last visit and it worked really well in most locations.

If you do decide that you need a Local SIM, your phone must be Unlocked (most plan phones are not, so check with your carrier).

If you feel you must be connected when there is no WiFi, we would recommend you purchase a local SIM/number. Roaming can be expensive if you don't manage against your limits (data limits when roaming are typically very low).

The Contingent will not be liable for any roaming fees your youth member racks up.

Contacting Home in the Event of an Emergency

If an incident occurs that requires parents and/or guardians to be contacted.

- **ONLY Shane will make the phone call home.**
 - This ensures accurate and relevant information is relayed.
- Nobody else is to make contact with Next of Kin

In the event of any incident, no one is to post on Social Media.
Do not respond to messages or comments via Facebook, Instagram, etc

If there is a major incident please monitor our Facebook Page as we will place updates on there and via email (when we can).

What if there is a Natural Disaster?

The Australian Contingent has established links with the Australian Embassy (in Washington DC) and the Australian Consulates in Los Angeles and Vancouver.

Through the support of the Embassy we have extensive emergency management plans in place for our entire journey in the USA and Canada.

The **24th World Scout Jamboree Planning Team** have extensive Emergency Management Plans in place.

In the unlikely event of a major issue, updates will be posted to our Facebook page as soon as possible and email (when we can), however the immediate safety of the participants will remain our highest priority.

Other Apps We Recommend - that you have on your phone.

Note all of these are free versions:

DC - Metro app (by mapway)

Flying - entertainment may be via a personal device rather than seat back. Qantas, American, United, Delta, WestJet and Air Canada all have entertainment apps.

Disneyland - shows map, queue times, etc. (highly recommended)

Six Flags - shows map, queue times, etc.

American University - shows map of the University campus where we'll be staying.

One of the FlightRadar apps can be good fun to see how many planes are travelling around the US, and you can see how your other patrol members' flights are going.

**Gear List, Swap Items, Souvenirs,
Money, Safety, Security and Insurance**

Gear List

Recommended Gear List

Checked In Luggage (1 piece ONLY)

This must be your WSJ Contingent Travel Bag - weighing no more than 20kg.

- ☐ Minimum 5 Camp shirts, all with collars plus both contingent shirts
- ☐ Minimum 3 Pairs shorts
- ☐ 1 pair of comfortable boots
- ☐ 1 pair closed toed water shoes (sand shoes etc) for water activities
- ☐ 1 pair comfortable shoes/joggers (optional)
- ☐ Swimmers & sunshirt - due to cultural sensitivities and sunsmart NO bikinis or budgie smugglers allowed
- ☐ Jumper / warm clothes (yes, it's summer but we may get some cool days / nights)
- ☐ Rain Jacket (not a lightweight poncho)
- ☐ Long trousers (jeans or slacks)
- ☐ Pyjamas or tracksuit
- ☐ Camp hat or cap for adventurous activities where the Akubra may not be suitable.
- ☐ Minimum 6 pairs socks
- ☐ Minimum 6 sets underwear
- ☐ Handkerchiefs / tissues
- ☐ Toiletries bag (soap, face washer, deodorant, toothbrush, toothpaste, hair brush/comb, etc.)
- ☐ Health Care Bag (e.g. foot powder, lip cream, sunscreen, insect repellent)
- ☐ Personal First Aid kit
- ☐ 2 Towels - shower & swimming
- ☐ Summer Sleeping Bag
- ☐ Small pillow (optional)
- ☐ 20 Clothes pegs (Laundry detergent supplied by Contingent)
- ☐ Wire Coat Hanger (for Uniform)
- ☐ Bags for dirty and damp clothes and shoes
- ☐ Dilly bag (Plates, Cup & Cutlery) - **Only People in Troops and Lines. IST do not need this.**
- ☐ Lunch box/bag (IST Included)
- ☐ Swap Badges (optional)

	Contingent Shirt	Uniform	Contingent Shirt	Contingent Shirt & Uniform & Plane Clothes		
Jamboree	Jamboree	Travel Day	Disneyland	Six Flags and Travel Day		

Swapping Items and Souvenirs

- With your gear you receive you can swap this if you wish **but you must keep 1 Australian Scarf and 1 Contingent Shirt** as you will need this for the entire trip, we will be wearing the Contingent Shirt at most Contingent Activities, like in DC, Disneyland and Six Flags.
- We recommend that you bring some of these mini Koalas (you can get them at most \$2 Shops or online and/or some Vegemite and Tim Tams. Flag lapel pins are also popular swaps with some countries.

Australian Flags

We need **YOUR** help

We need YOU to get your hands on an Australian Flag! You able to request a free one from your Federal Member of Parliament.

Australian flags can be obtained free of charge through the Constituents' Request Programme by contacting the electorate office of your local Senator or Member of the House of Representatives.

We ask that you please bring this with you to the Jamboree as it will become a great addition to your Unit Site and also is a great item for swapping.

Money

Australian EFTPOS cards do not work overseas.

You will need to have either:

- a Credit Card; or
- a Debit/Travel Card issued by Mastercard or Visa.

We will be providing a Mastercard PrePaid Currency Card. Your Meal Allowances will be loaded on this for each lunch/dinner that you will be required to purchase (e.g. during travel).

You can also use this as your personal spending Money Card by “purchasing” spending money through the Registration System.

If you don't want to use a Travel Card and wish to carry cash we recommend that you organise this in Australia as the Fees and Exchange Rates may be better.

Spending Money

Add additional money to your Contingent Travel Card, this money will not be loaded until it has been paid for on the Status page, so make sure you not only order the spending money but you also pay for it.

Additional Spending Money (AUD)

Safety and Security

- The Australian Contingent takes no responsibility for any lost personal items.
- Participants and Leaders are responsible for their own possessions, including electronic devices and cash.
- Personal items are to be clearly labeled with your full name and country.
- The most valuable thing you will bring is your **passport**. When this is in your possession ensure it is held securely - double-check seat pockets before leaving the plane, for example!
- For security purposes we will be collecting and keeping all passports together when not required for travel.

IF YOU CAN'T AFFORD TO LOSE IT, DON'T BRING IT!

Insurance

- Every Contingent member is covered by Travel Insurance
 - If you are travelling independently you are likely to need your own insurance for your special travel arrangements, particularly extended duration.
- Details can be found under the 'Travel Details' tab.
- **As a general rule, loss of expensive electronic items will not be covered.** If you want these items to be covered, we recommend that you check your Home and/or Contents insurance to see if they are covered while travelling.

Travel Arrangements

How are we getting 688 people from Australia to the United States of America?

In Summary....

- The adventure begins when you arrive at your first airport.
- Our travel arrangements are complex as people from all over Australia travel different routes into and through North America.
- There are 181 unique travel combinations so we won't go through all of them here!
- Yes, there are many things that can go wrong due to the complexity of this move. However, we are Scouts. We are resourceful and we stick together through difficulties. You need to listen to all instructions and pay close attention to what's going on around you - even when tired, jetlagged and (maybe just a little) grumpy.
- We will issue more detailed travel advice closer to the trip.

Baggage Limits

Each Contingent Member is only allowed to bring

- a) their Contingent Travel Bag - max weight is 20kg (50lb in US). Checked baggage.**
- a) their Contingent Backpack which can be no more than 7kg. Carry-on baggage.**

- Even if you are a high status Qantas Frequent Flyer this applies to you. Many of our flights are not ticketed via Qantas and so your extra privileges will not apply.
- The US airlines will charge you for excess weight - and their listed fee is US\$100, even if you're only 1kg overweight!
- Strongly recommend leaving Australia with only 18kg in your travel bag so you have space for souvenirs.
- **Any excess baggage charges are a personal expense.**

Some things are not meant to travel

There are many restrictions to what you can fly with.

Even if you fly in Australia often, pay attention as the US is different!

Security requirements are also different.

- Liquid limits apply to carry-on luggage. Each container can be no more than 100mL and must be in a clear zip-lock bag. This includes deodorant and toothpaste.
- Empty your water bottle before entering security.
- Battery packs must be in your carry-on luggage.
- No scissors, knives, etc. in your carry-on luggage.
- You will need to remove your shoes and belt at security screening in US airports. You'll pass through a full-body scanner and may be subject to pat-down.

Travel Tips

- Personalize Your bag
 - Ribbons
 - Key Rings
- You must use your Contingent Luggage Tags - they are coloured by Troop.
- Wear your heaviest shoes on the plane (but make sure they are clean).
- Don't strap anything to the outside of your bag!
- Everything must fit in your bag - if it doesn't you have too much stuff!
- Any medication must be in its original packaging to travel (and in your carry-on in case of delays).
- Make sure you pack a day's worth of clothes/underwear in your carry-on luggage in case your main bag is delayed in transit (it does happen).

Passports

You are responsible for your own passport whilst in transit.

You must not get off the plane unless you have your passport in your hand. The same goes for boarding your flight/s.

The pocket of your Scout Uniform is a good spot but be careful when you get changed on the plane.

The Contingent will securely store your passport for the duration of the trip, give it back and collect it when required.

If you are not travelling on an Australian passport (or similar ESTA country) then you'll probably need to go through a different process upon arrival in the US, Canada & return to Australia. Remember that your Visa is your responsibility.

We don't want any missed flights out of Australia, but if you do...

If you miss your first flight:

Contact the Transport Hotline immediately!

(This will be published in the last Newsletter)

The Contingent will help you book another flight, but we can't guarantee that it will be the same day. And that new ticket will be at your cost. This is likely to be expensive!

If there are any changes to flights, tight connections, etc., your Flight Leader will coordinate with the Transport Hotline.

What if I am sick on the leaving day?

If you are sick on or just before we are due to leave, contact Lloyd! If you can't reach Lloyd, call the Transport hotline.

Arrangements will be made for you for you to join the trip later where practicable.

Travel insurance may cover this cost if it isn't a pre existing illness, otherwise you'll need to cover the cost of missed flights, changes, etc.

Outgoing Passport Control & Security

Australian Passport Holders

- Line up behind the Smart Gates
- Put your passport photo down in the machine and follow the prompts

Pass Through Security

- Pull out any liquids 100ml, empty water bottles, and devices bigger than your Mobile Phone.
- Make sure nothing is in your pockets.
- Take off your belt and shoes (USA Only)
- You may be subject to a random explosives swab test. If you are, follow the instructions of the Security Staff.

Waiting for the Plane

You will travel through security (and immigration if applicable) as a group as best you can - so reassemble as a group with your flight leader.

Travel together to the airport gate so you all know where it is.

At times you may have a long wait in the airport. If that's the case you'll be allowed to explore the airport in small groups (never go anywhere without a buddy). Check with your flight leader about boundaries, return times, etc. Listen carefully as US airports are very large with multiple terminals.

It's pretty normal for flights to change gates in US terminals, so you'll need to be back at your gate early in case you need to change gates or terminals. My last flight out of Dallas changed terminals 3 times in 45 minutes!

Some Flying Tips

- Take your assigned seat promptly.
- Stay seated with your seatbelt on.
- Don't move around the cabin unnecessarily.
- On long flights, once the seatbelt sign is off, we recommend that you change out of your uniform into something comfortable and change back into it before you land. We recommend you wear shoes in the toilets.
- On an International flight, complete your arrival card (they will be handed out on the plane). Please see your flight leader for assistance with this.
- Most of the flights will have in-flight entertainment.
- Manners go a long way on a long haul flight.

Jamboree Overview

A brief overview of how the Jamboree will look.

The Summit Bechtel Reserve

A 10,000 acre fully-developed, high adventure facility surrounded by 70,000 acres of national forest.

NOVUS

1. Experience More of WSJ

- Unify elements of WSJ into interactive tech-enabled game
- Break WSJ experience into meaningful pieces

2. Induce & Reward Adventure

- Guide participants to explore unique parts of the World Jamboree

3. Connect

- Participation in the Novus game is entirely optional.
- None of the participant Novus data will be shared outside of the WSJ.
- Only the Scout's Name & Country will be populated into their profile, based on official registration.

Everyone will get a Wristband as part of the Credential.

Adult Participants

Youth Participants

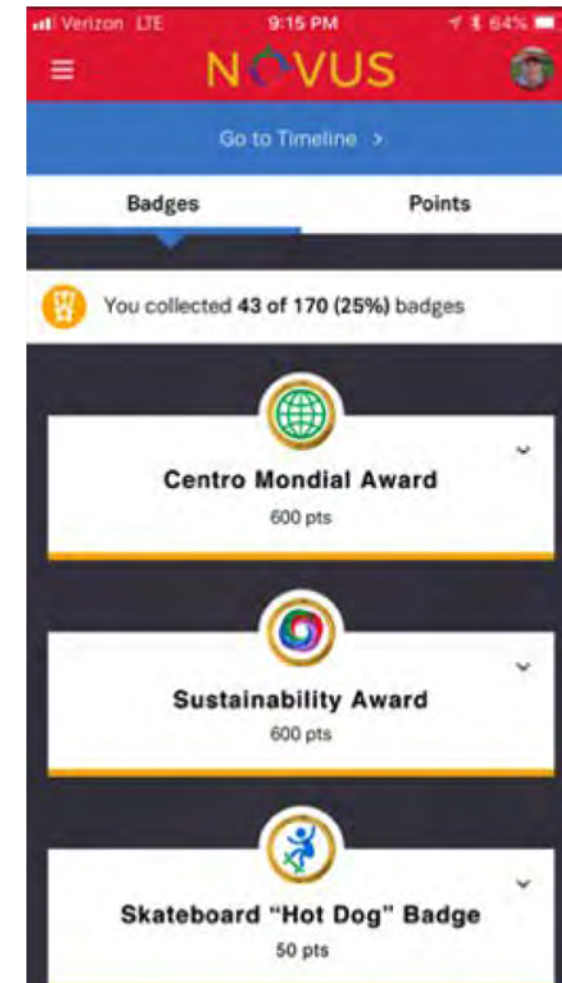

IST

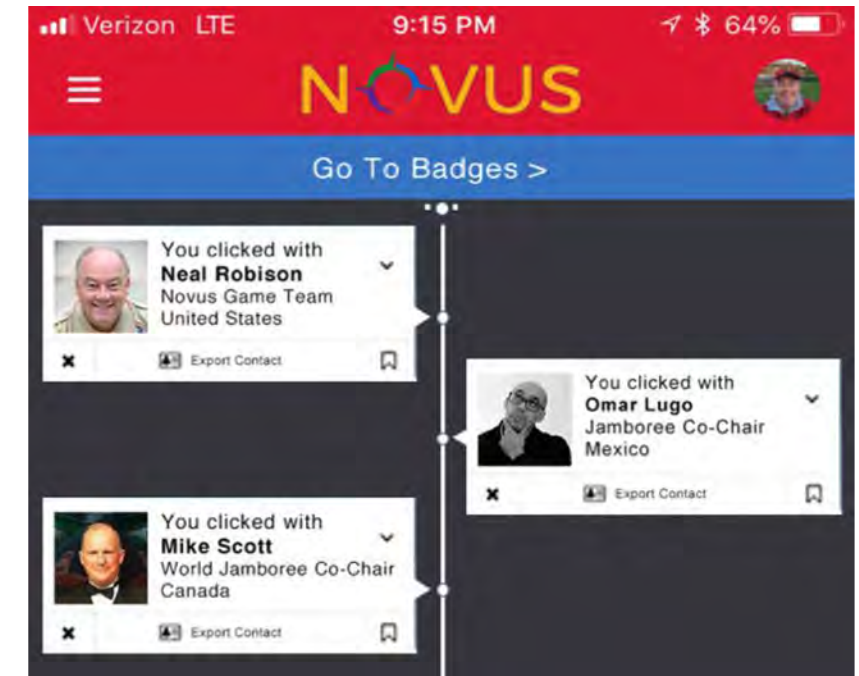

NOVUS: The Game

- Participants earn virtual "badges" & awards for participation in experiences/events.
- Jamboree App displays achievements.

How does it work?

Connect

Cultural Celebration Day (CCD)

Cultural Celebration Day (CCD)

Participants will have an opportunity to experience food, dance and other activities from all over the world. All units will focus on sharing their own culture and that of others.

Sub Camp Food and Cultural Festival

09:00 to 13:00H – share your culture including music, dance, costumes, games and food in your sub camp.

Unity Show

20:00 to 22:00H – sub camps will decide how they want to arrive at the Unity Show.

Arrive/depart as you please and enjoy

No pre arranged seating arrangements.

Last Update: 17 April 2019

The Pre and Post-tour

A brief overview of the Pre and Post-tour and our arrangements.

Accommodation

Pre-tour

American University

Post-tour

University of Southern California

Optional Post-tour

Mt Royal University

Towels and Linen will be provided at all Pre and Post-tour accommodation.

Room Keys

At the Pre and Post-tours you will be issued with a key/swipe cards for your room. If you lose your key the replacement cost ranges between US\$25 and US\$125.

It will need to be paid for by the person who lost it.

The Contingent will not be paying for lost keys.

Meals

Most Breakfasts and Dinners are fully catered at the University. Lunch is usually purchased using your Contingent Travel Card.

Fiona is coordinating all our dietary (as per your application) requirements with each venue.

**Please contact Fiona if you have any concerns.
fiona.thomas@wsj2019.scouts.com.au**

Washington DC

While we're here you'll...

- Get to know your new Troop and Patrol!
- Learn a bit more about the United States and explore a new city!
- Choose your own adventure from 30+ attractions!
- Rest and recover before we get to the Summit!

LA

Wrap Up
